DOMETIC

CaraD Door

MAXIMUM SAFETY

The Dometic CaraD door is a modern caravan door designed with safety in mind. A key feature of the door is its highly resistant safety mesh. Tested by an independent company in Germany, the door can withstand 180 J of impact. The mesh will let air into your caravan without having to sacrifice your security. Another safety feature is the four-point locking system and an easy to operate chrome door lever, which ensures extra protection and comfort when travelling. It also includes a stylish integrated blind that blocks light from entering the caravan and provides additional privacy.

Available in Black and White. Please specify colour and hinge set up when ordering.
