MILENCO

Aero 3 Mirror

Universal design mounts on all existing mirrors
Easy grip clamp attachments does not require the use of any tools
The air balanced design stops vibration
Perfect view adjustment allows the head to rotate 360°. The innovative patented design allows the mirror to work with curved mirrors
Twin pack includes storage bag

Milenco Aero 3 Towing Mirrors - 0671

MILENCO

Grand Aero 3 Mirror

The Grand Aero 3 Mirror offers all the benefits of the Aero 3 Mirror, plus the maximum view possible, combined with very high stability. The Grand Aero 3 Mirror enables you to see the top and bottom of your caravan so you can avoid hazards, such as low trees branches, sign posts sticking out, etc. As you would expect from Milenco, this is a very high quality product, manufactured with the best materials available.
Comes as a pair.

Milenco Grand Aero Towing Mirrors Convex - 0670
Milenco Grand Aero Towing Mirrors Flat - 0672

MILENCO

Aero Platinum Mirror

The Aero Platinum Mirror is an innovative new design, specifically developed to securely fit to the extremely tapered mirror bezels, now found on increasing numbers of manufacturers vehicles to improve fuel efficiency by reducing aerodynamic drag. The Platinum clamp has also been enlarged, now accepting vehicle mirror bezels up to 25mm in thickness. Also now fitted with a larger diameter arm, this offers even further stability to the mirror, and has adequate reach to be used on caravans up to 2.55 meters wide.
Comes with carry case
includes 2 mirrors

Milenco Aero Pkatinum Towing Mirrors - 0673

MILENCO

Grand Aero Platinum Mirror

The Aero Platinum Mirror is an innovative new design, specifically developed to securely fit to the extremely tapered mirror bezels, now found on increasing numbers of manufacturers vehicles to improve fuel efficiency by reducing aerodynamic drag. On one of the key developments of the Aero Platinum Mirror is the inclusion of new flexible, rubber faced stainless steel, sprung loaded gripper plates. These are over 50% larger than the standard Aero 3 mirror pads. This design enables the gripper to form to the shape of the vehicle mirror bezel.
Comes with carry case
includes 2 mirrors

Milenco Grand Aero Pkatinum Towing Mirrors - 0674

Standard Towing Mirror

These universal towing mirrors fit over the existing side mirror to provide added vision while towing. They are fully adjustable and do not obstruct your existing mirror. Each

Standard Towing Mirror - 0650

XL Clip On Mirror

These towing mirrors fit over the existing side mirror to provide added vision while towing. They are fully adjustable and do not obstruct your existing mirror.

Ideal for vehicles towing caravans.
Fits both driver & passenger side mirrors.
Extra large size.
Easy clip-on installation, no tools required.
Each

4 x 4 Clip On Mirror - 0660

Blind Spot Mirror - 50mm

Round style convex blind spot mirror
Eliminates blind spots for safer driving. Features convenient stick-on mounting

Blind Spot Mirror 50mm - 0680

Pro Towing Mirror - Each

This is our premium heavy duty towing mirror. It features an adjustable ratchet mechanism and wide mounting plates to reduce vibration and provide excellent stability. It is the ideal choice for most 4WDs and SUV's. It provides superior rear vision and is ideal when towing large trailers, house floats, boats and caravans.

Mirror extends from 330-470mm. Mirror size: 220 x 145mm. Designed to fit on both driver & passenger sides.

Pro Towing Mirror - 0628

Universal Towing Mirror with Magnetic Support Pad

Fits factory & aftermarket car mirrors
Fast & easy installation, no tools required
Fits snugly over mirror to resist vibration
Convex mirror for maximum view
Strong synthetic traps ensure secure fitment
Original car mirror is not obstructed by towing mirror
Mirror can slide out in seconds leaving base section in position

Universal Towing Mirror with Magnetic Support Pad - 0678

210 Piece First Aid Kit

Equipped with all emergency supplies
Includes plasters and gauze pads for
patching up minor scrapes and cuts,

Tow Pro Elite

The unit is able to operate both electric
and electric/hydraulic trailer brakes and
will operate from either 12V or 24V vehicle
systems without the need for manual
selection or extra components or wiring.

Tow Pro Elite - 0683

TEKONSHA — Prodigy P2 Brake Controller

Reverse battery protection for both vehicle and
breakaway. Digital display depicts voltage
delivery to trailer during braking. No level
adjustment necessary. Works proportionally
in reverse with the ability to disable when not
needed. "Boost" feature gives users the ability
to apply more initial trailer braking power when
towing heavier trailers. Continual diagnostics
check for proper connection.
Limited lifetime warranty

Tekonsha Prodigy P2 Brake Controller - 0690

Hayman Reece Compact Brake Controller

TEKONSHA — Prodigy Pocket Mount Kit

Tekonsha Prodigy Pocket Mount Kit - 0695

TEKONSHA — Tekonsha Prodigy Brake Control Harness

Tekonsha Prodigy Brake Control Harness - 0708

Prodigy P3 Brake Controller

The Tekonsha® P3 features a multi functioning LCD display with the most advanced easy-to-use diagnostics. The P3's convenient features include a dashhugging design, unique easy-to-use clip-mounting system, quick disconnect for a safe storage when not in use and the original "boost" feature that allows the driver to increase the initial power delivered to the trailer brakes and capability of switching between an electric brake system or a hydraulic brake system.

Tekonsha P3 Brake Controller - 0713

20amp Circuit Breaker

Provides over current protection. Should be used when brake controllers are fitted.

20amp Circuit Breaker - 0718

LPG Gas Leakage Detector with Micro USB

WiFi LPG GAS Leakage Natural Combustible Detector & 433MHz Gas Leak Sensor Alarm
Power supply: Micro USB+5V/1A
Consumption: <200mA
Dimensions: 86x86x24.5mm

Gas Detector with USB - 0725

Carbon Monoxide Detector

For maximum protection of the home and RV. The alarm sound pattern is four short alarm beeps. The red LED will flash while in the alarm mode.
One chirp every 30 seconds in an indication that the battery is low (need replacement) (green LED still flashes once every 30 seconds).

Carbon Monoxide Detector - 0726

Gas Leakage Detector

Run a quick check over your campervan, caravan or gas powered devices to make sure all outlets are safely sealed.

Gas Leakage Detector - 0727

Dual Carbon Monoxide/Gas Detector

Voltage:AC 240V
Size:113×74×46mm
Catalytic combustion method
Sensor and the electrochemical Carbon monoxide sensor

With integrated sensors and Intelligent microprocessor control, this alarm detects combustible gas and carbon monoxide accurately and gives the earliest possible warning. all while effectively minimizing false alarms.

Dual Carbon Monoxide/Gas Detector - 0728

Stand Alone RV Smoke Alarm

Advanced 9V battery-operated smoke alarm designed specifically for use in caravans and RVs, ensuring safety on the go. (Battery not included.)

Stand Alolne RV Smoke Alarm - 0729

CoupleMate EasyJack
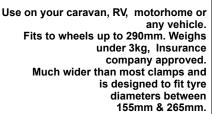

COUPLEMATE
TOWING, TRAILER AND CARAVAN PARTS

Axle Jack for Caravans and Campers
The Couplemate Caravan Axle Jack lifts Round or Square Axles. Easy Jack safety lifts caravans or trailers to change a flat tyre or to check bearings.

Couplemate Easyjack - 0712

CoupleMate Reversing Guide

COUPLEMATE
TOWING, TRAILER AND CARAVAN PARTS

Also know as the "marriage saver". The couplemate fits onto the towbar and will guide your coupling onto the ball. The main body of the couplemate can detatch and be used vertically as a coupling lock so your trailer can be locked onto the ball of the vehicle.

CoupleMate - 0730

Deluxe Wheel Clamp

Use on your caravan, RV, motorhome or any vehicle.
Fits to wheels up to 290mm. Weighs under 3kg, Insurance company approved.
Much wider than most clamps and is designed to fit tyre diameters between 155mm & 265mm.

Deluxe Wheel Clamp - 0734

Haymen Reece Hitch Pin

Anti Theft protection for your Trailer ball mount. Key can only be removed in locked position.

Haymen Reece Hitch Pin - 0736

ARK INNOVATION. NOT IMITATION.

Heavy Duty Trailer Lock

With dual lockingmechanism
Heavy duty in-built double locking mechanism
Secures trailer when un-attached and also when attached.
Chrome plated finish.

purpleline design...innovate...improve

The new Complete Security Kit is an all-in-one combination of hitch lock and wheel clamp
It combines the Samurai wheel clamp and Saracen hitch lock.

CSK100 Complete Security Kit - 0758

FULLSTOP Samurai Wheel Clamp

SARACEN ULTRA

Made from hardened, high-strength composite steel
7-Pin cylinder lock resists cutting, picking, drilling and freezing
Includes 3 anti-copy tubular keys for added security
Suitable for all-sized steel and alloy wheels

FULLSTOP Samurai Wheel Clamp - 0758S

witi
Journey Simply

Anti Theft System

WiTi offers a revolutionary anti-theft system and is the only anti-theft system designed specifically for caravans and trailers fitted with electric brakes.

The WiTi Anti-Theft device detects movement via a highly sensitive gyroscope. If a caravan / trailer is hitched or moved slightly whilst the Anti-Theft is active then WiTi immediately locks the brakes, flashes all the lights and sounds an alarm. The caravan or camper trailer is completely immobilised and will be impossible to tow.

WiTi Anti-Theft is sensitive to two types of movement, acceleration and sharp knocks or bumps. WiTi is sensitive enough to detect attempted break-ins as well as attempted theft of the van. Programmed out a sideways swaying motion that is normally associated with wind to avoid false alarms in windy conditions.

Rated to 3.5t ATM
Pilfer proof attachment
Easy to install
Suitable for most towbars.
Maximum chain link diameter 10mm

IMPORTANT: Mawby hook suits a maximum of 11mm diameter safety chain. The shackle that attaches to the tow bar has a max diameter of 10.5 mm

Hayman Reece 2 Bar Equalizer

This is an easy to install MINI HITCH which bolts right on to the tongue of your towbar, Includes easy snap over brackets and adjustable chains.
Suits up to 82kg of ball load.

Hayman Reece 2 Bar Equalizer - 0810

Hayman Reece Classic 275kg Hitch

This kit suits trailers that have a ball weight between 135kg and 275kg

600lb - 0815

Mawby Hooks - Pair
3.5T ATM RATED TOWING HOOK

The Mawby Hook is a quick action trailer safety chain coupling which is easy to install and suitable for most towbars.

Safety chains are compulsory in all States and Territories of Australia and must be strong enough to hold the trailer and prevent the drawbar from touching the ground, should the coupling fail or be disconnected from the ball.

The Mawby Hook has been fully tested to AS4177.4

for caravan and light trailer towing components (patent pending).

Using drop forged steel construction, you can rely on the

Mawby Hook to tow vehicles up to 3.5t ATM.

Mawby Hooks - 0814P

Hayman Reece Classic 365 Hitch

The 800lb kit relies on heavier gauge spring bars than the 600lb to handle heavier trailers. As the name implies, the 800lb kit is designed to work with trailers that have a ball weight between 275kg and 365kg.

800lb - 0818

Hayman Intermediate Equalizer

This system has a working range between 80kg and 135kg ball weight and is ideal for small sized caravans.

Hayman Intermediate Equalizer - 0830

Gorilla Tape To Go

FOR THE TOUGHEST JOBS ON PLANET EARTH
2.5cm x 9.14m (1" x 30')
Incredibly strong, tough & thick
Convenient Travel Size
Double-Thick Adhesive
Grips smooth, rough and uneven surfaces
Tough, Reinforced Backing
The tight weave contributes to the heft, but Gorilla Tape can still be ripped by hand.
Rugged, Weather-Resistant Shell: Withstands moisture, UV rays and temperature extremes better than other tapes
Made in USA

Gorilla Tape To Go - 0991S

32m Gorilla Tape

3 strong ingredients have made Gorilla Tape successful to work with. The combination of double thick adhesive, strong webbed backing and rugged all-weather shell make it one of the few all-purpose tapes to consistently stick to smooth surfaces.

32m Gorilla Tape - 0991L

11m Gorilla Tape

FOR THE TOUGHEST JOBS ON PLANET EARTH
48mm x 11m
Product features
Double-thick adhesive: grips smooth, rough and uneven surfaces
Tough, Reinforced Backing: The tight weave contributes to the heft, but Gorilla Tape can still be ripped by hand.
Rugged, Weather-Resistant Shell: Withstands moisture, UV rays and temperature extremes
Made in USA

11m Gorilla Tape - 0991M

Crystal Clear Gorilla Tape 48mm X 8.2m

A super strong and clear backing allows it to blend in easily with whatever you're working on, with an extra thick adhesive that helps it stick to just about anything! Designed with indoor and outdoor uses in mind, this Gorilla tape is UV and temperature resistant to help extend the life of the adhesive and prevent yellowing over time.

Crystal Clear Gorilla Tape 48mm X 8.2m - 0992

AUSTRALIAN RV ACCESSORIES

iCheck Signal Booster IC004

The iCheckTPMS signal booster is perfect for long vehicles such as caravans, RV's and motor homes or in vehicles with a lot of electronic interference.

iCheck Signal Booster IC004 - 1000

iCheck Tyre Deflator Kit IC0ATF

The iCheckTPMS Automatic Tyre Deflators allows the user to simply screw them on and walk away. This saves time and your knees from having to arduously kneel down and deflate one tyre at a time.

iCheck Tyre Deflator Kit IC0ATF - 1001

iCheckTPMS 4WD 5 Sensor Kit IC005

External DIY sensorS
±1.5Psi High accuracy
9 gram external sensors, no need for wheel rebalancing
IP67 protection against dust and water
Replaceable sensor battery – CR1632 button cell
2-year sensor battery life
Anti-theft lock nuts included to provide extra security

iCheckTPMS 4WD 5 Sensor Kit IC005 - 1002

iCheckTPMS 4WD & Single Axle Caravan Kit IC008

The IC008 kit is designed to suit a 4WD and single axle caravan. With eight wheel sensors in the kit you can monitor the pressure and temperatures on all wheels including your spare tyres on both 4WD and caravan.
Wireless solar-powered display
Monitoring Range: 0~99Psi
All-weather design with IP67 waterproof external sensors

⋯⋯⋯ ⋯⋯ Single Axle Caravan Kit IC008 - 1003

iCheckTPMS 4WD & Dual Axle Caravan Kit IC010

With ten wheel sensors in the kit you can monitor the pressure and temperatures on all wheels including your spare tyres on both 4WD and caravan.
Wireless solar-powered display
Monitoring Range: 0~99Psi
All-weather design with IP67 waterproof external sensors

WHEEL SENSOR LOCATIONS
